Palliative and End of Life Care

Opportunity – Call for Physician Participants for the Provincial Pallium Learning Essential Approaches to Palliative Care (LEAP) Licensing Education

Opportunity

The Provincial Palliative and End-of-Life Care (PEOLC) team and Calgary, Edmonton, North, Central and South zones are excited to announce that they have partnered with Pallium Canada to deliver Learning Essential Approaches to Palliative Care (LEAP) training across the province to health care professionals. Pallium LEAP is considered the gold standard for palliative care education across the country. These courses are reviewed and updated regularly, ensuring the most up to date material available and are accredited with both the College of Family Physicians of Canada and the Royal College of Physicians and Surgeons. This project is being supported by a grant until March 2024 at no cost to the learner.

LEAP Core (Online)– Call for Physician Participants

This is a call for physician participants. We are excited to announce we are offering 3 physicians only sessions from November until March 31, 2023.

This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification Program of the Royal College and approved by the University of Ottawa's Office of Continuing Professional Development. This Group Learning program has been certified by the CFPC for up to 24 Mainpro+ credits. You may claim a maximum of 12.0 hours. LEAP Core (online) consist of 17 self-learning online modules completed at your own pace (approximately 8 hours of work). There is also a webinar portion that is approximately 6 hours which you must be present for the entire time.
