# Welcoming Refugees into your Practice

Dear Doctor,

Please join us for an evening of learning about the ins and outs of welcoming refugees into your family practice. Dr. Annalee Coakley, from the Mosaic Refugee Clinic, will be sharing from her wealth of knowledge on practical tips about IFH billing and coverage, interpretation supports, community resources, and where to find answers to any clinical questions. Primary care has such an important role to play as our world responds to concurrent refugee crises, and we are excited to equip you with the tools and resources to join us in this effort!
